

# MEMORANDUM

**To:** 2008 General Election Candidates

**From:** Scott Fox & Larry Pack  
Co-Chairman  
WVHC-PAC

**Date:** September 5, 2008

**Re:** General Election Endorsements

The WVHC-PAC has reviewed the Candidate Questionnaires, candidate profiles, incumbent voting records and has listened to local facility owners, administrators, staff and residents in arriving at its 2008 General Election Endorsements. The WVHC-PAC is a nonpartisan entity that aggressively supports friends of long term care in West Virginia.

Please note that some races have more endorsed candidates than seats available. These individuals are proven champions of long term care residents and providers and equally merit recognition by WVHC-PAC in their races. Conversely, there are a few races listed with an asterisk to indicate that we did not receive any information from their campaigns and they do not have a voting record to consider in making endorsements. WVHC-PAC looks forward to building relationships with these individuals for the future and encourages them to visit their local long term care facilities.

After careful consideration, it is our honor to endorse the following candidates in their statewide or local legislative campaigns:

**Governor:**  
Joe Manchin

**Supreme Court of Appeals:**  
Beth Walker

**Attorney General:**  
Dan Greear

**Secretary of State:**  
Natalie Tennant
